*Bride and Groom are responsible for selecting/providing a venue (hint: the beach is free!) and presenting a valid Florida marriage license. Above packages include notarization and filing of marriage license.*

*Wedding pictures will be available for proofing and ordering through our website within 10 days of ceremony. Prices for prints, canvas wraps, and hi-res digital images, as well as "photographer only" wedding prices, are available on our standard price list.*

*We prefer to "keep it simple" (hence the name) and do not normally plan ceremonies for more than 25 guests. But if you have a special request, please let us know!*

*We can offer referrals for videographers, musicians, florists, and other wedding and event services.*
